

indications or suggestions
you might think it worth
while to give me.

In 1881 I published in
the St James's Gazette a
series of articles on 'The
Development of Fencing,' in
which I touched on the
history of the weapon ~~we~~
itself - but in subordination
to the manner of using it,
of which I shall not say
so much this time.

I remain
Yours sincerely
F. Pollock

MUSEUM CLUB March 5
1883

Dear Sir

For some time I have
taken an interest in the
historical development
of swords and swordsmanship,
and I have promised
to give a discourse on the
subject at the Royal
Institution on Friday, June 1.

Two years ago I
inspected your admirable
