Dear General Pitt Rivers

You told me some time ago  
that you would like me to get  
under N. Beorn. Water pilchets  
for your collection. - I hear  
today from my friend Mr  
Freeman that Le Los des-  
-ketches me to you - made  
a Manuscript - Its cost  
is 4/6. —

I have delayed printing  
your paper in the magazine  
as I heard for the budding  
that you had been so ill  
as to be quite unable to attend  
to anything - I hope  
that by this time you have  
recovered strength again.  
That these East winds must  
be much against you -

I am faithfully yrs
