Geo. R. Harding.

General Pitt Rivers

Sir, In reply to your note of
yesterday I desire to withdraw
any charge whatever for my
time in packing and dating the
specimens; but at the same time
I must explain that the charge
made is less than one half of
what I am often willingly paid
for such work as I do not go out
for less than five guineas per day.

Trusting that this unfortunate
misunderstanding will not make
any difference in the future

I beg to remain

Yours Obedt Servant.

P.S. I think I have Geo. R. Harding
made out what the French facing plates are
and will bring the specimens tomorrow at 11 a.m.
