CIRENCESTER.

My dear General,

I find that the united
Wills and Gloucestershire Archl.
Societies under your Presidency
for the year, are going to hold
a Meeting here on July 12th &
following days -

Of course it is a long time off
and the General Election may
happen then and put us all
about. But I am afraid that

under ordinary circumstances
 my next door neighbors the
 Balthursts will hardly have come
 home from London; and I hope
 that if you and Mr Pitt-
 Rivers have no better business
 in prospect, you will consider
 ourselves engaged to come
 to us. It will be a great

pleasure to my wife and
 myself to see you: and
 with our united kind
 remembrances to Mr
 Pitt-Rivers & yourself:

Believe me,

Yours very sincerely,

Walter Pitt-Rivers.
