

L. 889

Salisbury,  
2 July 1889

Sir,

I regret that I am unable to give you any information with reference to the extension of the Telegraph to Tollerard as I have heard nothing more on the subject since I sent in my report.

Supported by your letter of enquiry I will again call

attention to the very  
considerable area and  
population which is now  
practically cut off from  
telegraphic communication.

I am,  
Sir,

Yours obt. Serv<sup>t</sup>
