To  
General Pitt Rivers

Sir,

Should you require  
an "Assistant" allow me to  
re-call the fact that I have been  
favoured with interviews on  
three occasions in Town and  
had hopes at the time of being  
engaged by you. I am  
still at liberty to take up  
any engagement of the kind

and would do my utmost to  
give satisfaction and you  
would find me quite re-  
liable. As to salary.

The amount I received from  
Dr. Dresser was equal to £80  
per annum as we were paid  
during vacations and when  
working overtime. I should  
be pleased to engage on  
these terms

I remain Sir  
Your Respectfully  
Wm. Powell

Rushmore  
Salisbury.
