Dear Sir,

Proposed Museum for Bucks.

I have already sent you a formal printed notice of the meeting about the above, to be held in Aylesbury on the 28th instant: but write now to say how important it is that this meeting should be as influential as possible: & to ask whether you could kindly manage to be present, & speak in favour of it.

establishment?

Professor Flower has kindly undertaken to be Chairman, but we have an utter dearth of local speakers, & unless we can manage to import one or two, the meeting will fall flat, & consequently the scheme.

I may say that the Sub-Committee, appointed last November, have worked away in the interval, & have a Report to present to the General Meeting,

but we sadly need expert speakers; & I need hardly say that a few words from you would carry weight to an extent which it would be difficult to match.

It would be of the very greatest service if you are so good as to come.

County Hall, Aylesbury,
11.30 am. Thursday, 28th instant.

Yrs. very faithfully
Alfred Heneage Clerk.
