My dear General,

It seems that the
Joint Archaeological Meeting is
fixed for Tuesday August 23rd;
and I am much hoping you
are feeling stronger than when
we met and maybe able
to come to us for it -

If this is fortunately the case
the postponement of the Meeting

GIRENOSTER

till this month will have
not been unkindly for us.

We have had a very sad
week here, losing in Lord
Bathurst the kindest of friends
and neighbours.

Believe me, ever

Yours very sincerely,

Alfred Pitt.

P.S. I am afraid Mrs Pitt
Purvis told me she did not
go Archaeological expeditions,
but I need hardly say for my
wife how much we should like
to see her, if she were able
to come with you —
