Dear Sir

Your postman dated July 6/92 stating that General Pitt Rivers was a ^{man} friend for a month or so, if your mind would esteem it a great favour if you will kindly ^{ask him to} give me the information enquired in my letter to him, also would like to hear his opinion of the Historical Sketch of Newport-Perth by our Rural Dean which I sent for his acceptance some time

It has been favourably
criticised by many learned
critics.

Awaiting your reply

Yours truly
T J Davies
