Sir -  
Having had the pleasure  
on a former occasion of selling  
you a small collection of  
Foreign Sheep - I now write  
to offer you - a young Syrian  
or Arabian Ram - some  
9 mos. old - a very rare

and curious looking Animal  
and this only one of the  
kind I have ever seen —

It is in perfect health and  
Condition — but some of the  
Wool on its back has fallen  
off owing to its getting fly-  
blowed during the last few  
Very hot days. — I will accept  
5 Guineas for it and could  
pack and forward in a  
Crate. —

I have also some Wethers Indian Goats to part with  
1. Male - very large horns - and 2 females  
adult and 2 kids  $\frac{3}{4}$  grown - priced the lot  
10 Guineas or would divide - also = 75

Very early hatched Young Black Swans of  
this year = Very fine Birds and breed from  
Birds  $\frac{1}{4}$  are regular breeders = priced for
