Dear General Pitt-Rivers

I understand  
Medlicott has written  
to you asking you to  
continue as President  
of the Wilts. Acad. In  
my I add a word  
to press the claim  
We all regretted

your absence at  
Cincinnati and am  
especially the cause  
so that I very much  
hope you may be  
able to come west  
soon. we had a  
fairly successful  
meeting but not a  
great number of  
Missouri people.

The Anti-Slavery people  
did all they could  
to make the visit  
a success. I see  
you think God has  
come to the Liberty &  
I believe God is working  
it. may I mention that  
your Clerk has forgotten  
me, it is probably an  
oversight as this fact  
we has the Vol. your  
astrology. In
