Dear General Pitt. Rivers

May I be permitted to send  
you a copy of Cornhill Magazine  
containing an article on Cran-  
borne Chase which your courtesy  
& kindness enabled me to  
write for it. There is of course  
nothing new in it, I have  
but put into Magazine  
form the information derived  
from you, and other sources.

I was sorry to hear that  
some time back you were  
in ill health, & hope that you  
have completely recovered.  
Believe me, your very truly
