Mr General Pitt Rivers

I thank you
"Basque Cross" I
brought it from
St. Jean de Luz.

It is one of those
done by the peasants
of the Basque provinces
and seen always

Yours truly
G. Pitt Rivers

THORPE LEA, HAMPSHIRE
YERREU, MAHARAJA

be recognized by
the 3 emblems of
the "Sere" Cross"
attached at the
top, & the inscription
of the "Sere" & "Sere"
"Sere" on the cross
itself.

May do not trouble
to acknowledge it.
I hope you will

think it sufficiently
interesting to add
to your collection of
Arch. Present, & others
in the museum.

Yours truly
Wm. Blackett

Would you tell Maria
I? Her doll let her
know today if the children
can return to Thorpe
lea to see, & I will write
what we say tonight.
