WHATCOMBE,

BLANDFORD.

AND TELEGRAPH.

My dear General Pitt Rivers

We have heard  
with great regret that  
the Guardsman has  
met with a serious  
accident recently, and  
trust that it is not  
so bad as has been  
represented to us. Could  
we without further harm  
a line to tell us how  
"Willy" is going on. I  
saw Mrs. Fletcher today  
at the County Council  
meeting & asked her

send me a short statement  
about the scandal in  
at Keim. I will then  
write to Lord Wincham  
whom he tells me is  
half of the Southwicks.

I remain

Yours very truly

J. Manuel-Merrell
