Dear General P. H. Rieu.

A gentleman has  
asked me if I could get  
a photograph of Mrs Groves  
portrait to give to his wife  
who admires it in the R.A.

I told him I would  
willingly get him one, provided  
you had no objection.

Will you kindly say if  
I may get the photo for him.

+ excuse me for troubling  
you with the matter - which  
I could not grant however  
without your permission.

Believe me to be

Yours very truly

Geo. S. Beaumont
