Lieut. Gen. A. Pitt. Rivers, F.R.S.  
Sir

I take the liberty of again  
applying to you for a suitable  
testimonial for me to obtain  
another situation as Bailiff.  
as I am very anxious, after  
being out of a place, of over  
two years, by so doing I should  
feel most grateful,  
I am very sorry to have to trouble  
you but owing to my present  
circumstances I would <sup>not</sup> have done  
so, waiting the favour of your  
reply. I remain Sir  
Your obedient Servant  
G. Brewer

P.S.  
I was at Dollard Royal the other  
day and was surprize to hear of  
you having to buy hay as there was  
nearly 100 tons of old hay when  
I left Rushmore, Mr. Burnell -  
will have to keep sowing down -  
fear if you think of having hay  
enough for that part of the country  
I found out that the little time  
I was at Rushmore there is a  
plenty of land to do it with if  
you only look out in time.  
I was very sorry I had to leave  
as I just found out how to manage  
the farm and the accounts,

To Genl. Genl. A. Pitt Rivers, F.R.S.
