WHATCOMBE,  
BLANDFORD.  
—AND TELEGRAPH—

July 15. 1853

My dear General Pitt Rivers

I have received  
 your splendid beautiful  
 sheets of Buckhorn &  
 Linnæus. although there  
 is a slight monthly  
 difference the total at the  
 end of the year is nearly  
 the same only a difference of  
 0.17. I am just off to  
 London otherwise I would  
 write you a longer letter  
 Hoping you are as well as I  
 am at this present moment  
 & with our united very kind  
 regards to Mrs. Rivers and  
 the young ones of whom we are

glad to receive your account
