OWEN MEMORIAL.

IT has been considered desirable that the eminent services of the late SIR RICHARD OWEN, in the advancement of the knowledge of the sciences of Anatomy, Zoology, and Palæontology, should be commemorated by some suitable memorial.

To carry out this object a Committee is being formed, consisting not only of the leading Naturalists of this and other countries, but of many others interested in the progress of Science generally.

HIS ROYAL HIGHNESS THE PRINCE OF WALES has graciously consented to become Chairman of the Committee.

SIR JAMES PAGET (1 Harewood Place, Hanover Square, W.), SIR WILLIAM H. FLOWER (Natural History Museum, S.W.), and MR. W. PERCY SLADEN (13 Hyde Park Gate, S.W.) have signified their willingness to act respectively as Vice-Chairman, Treasurer, and Secretary.

A meeting (at which your presence is requested) to further the above object, to take into consideration the most appropriate form of memorial, and to appoint a Committee and Officers, will be held in the rooms of the Royal Society, Burlington House, on Saturday, the 21st January, at half-past eleven o'clock, A.M., HIS ROYAL HIGHNESS THE PRINCE OF WALES, in the Chair.

The names of those gentlemen who have already given their consent to become Members of the Committee will be found upon the next page.

The names of intending Subscribers (to be announced at the Meeting) will be received at any time by the acting Vice-Chairman, Treasurer, or Secretary.

On behalf of the Provisional Committee { JAMES PAGET.
