CHALBURY RECTORY,

WIMBORNE.

My dear Sir,

Would it be convenient
to you to call here some
day? Our youngest Son is
home from the Niger, &
has brought with him an idol
or two, some Spears, arrows,
ornaments, clothes, caps, &c. He will
be much pleased if you will
select any thing you deem
acceptable for any of your
Museums.

It is very probable he will

shortly go to the Oil Rivers
Protectorate, instead of returning
to the Niger.

We shall be pleased if Mr Pitt
Rivers will do us the honour
of visiting us at the same
time.

Believe me

Very faithfully Yours

G. H. Billington.

It will be a further favour if
you will kindly let us know

on what day we may hope to
see you, lest Mr. Son or
ourselves should be gone home.
He has a large amount of
Photos. that he took there.
