

believe nothing more serious than
Expense stands in the way.

As it has reached me on
fairly reliable grounds that you are
thinking of making a road ^{in the Chase}
somewhat to the South of this
village, it might possibly be an
aid for an outlet ^{to the rail} if our proposed road
could be made -

I shall be happy to give any
further information or to drive over &
go into the matter if you desire it.

I have been over the downs between
here & Disbury & surveyed them & planned
them for our road.

Yours faithfully

Dear Sir

Mr Tupperley has asked
me to cooperate & continue with him
the work he has been for some time
engaged upon of obtaining a good
road from here to Tisbury station
over the Down - This would reduce
the distance from the bottom of
Eleombe hollow to $4\frac{1}{4}$ - $4\frac{1}{2}$ miles
to the station.

I have now gone so far that I
