Sturminster Newton,

Blundford 18<sup>th</sup> May 1884

Dear General Pitt-Rivers,

My Father has been  
dangerously ill the past 3 or 4  
days but the Doctor says the  
immediate danger has now  
passed for a time, I have  
therefore arranged with Mr Green to go  
to Bournemouth on Monday next  
which I hope will be convenient.

I remain your obed<sup>t</sup> servant  
A. Pitt-Rivers
