Sturminster Newton,

Blandford, 15<sup>th</sup> Febry - 1884

Dear General Pitt-Rivers,

As I have to see Mr.  
Stanhby on a matter of business  
respecting the Lifshold I am going  
to call on him on my way  
to-morrow for I shall then hear  
what he says about Pippen, I will  
take the chance of finding you  
disengaged at 2 o'clock.

I am, Your most devoted  
servant  
Alfred Percival
