Sturminster Newton,

Blandford 18th April 1884

Dear General Pitt-Rivers,

I have not given Norris
my intimation of his having to
leave as I have not had any
instructions from you to that effect,
after purchasing it you said you
did not then want it but Norris
must understand that he would
have to give it up at 3 months notice

ending at my quarter day, Norris
has been for a long time wishing
to leave Folland & will I have
any go shortly as I have written
him asking him to do so but should
be not I will take care to give him
the 3 months notice at the next
quarter day -

Should you want temporary
accommodation for a man or two
until Norris leaves Campbell could

provide this at Folland -

I should also say that you will
be at Annapolis on that day -

I remain

Your obedient servant

Alfred
