Blandford 2nd July 1884

Dear General Pitt-Rivers,

I have heard from Messrs.
 Johnson they write "we should
 "be pleased to supply 2000
 "yards or upwards of our
 "patent bar fence to estimate 5,
 "which is the fence we have
 "before supplied General Pitt-
 "Rivers with, at 2⁰/₁₀ per yard
 "delivered to Tisbury Station, we

The standards would be in this
fence at this price 3 ft. apart
but they would supply the same
fence with the standards 3 ft
9" apart at $2\frac{1}{7}$ a yard,
this makes an excellent fence
they say & I should think the
standards would be close enough
together, I think you have their
catalogue. I remain

Yours very obedt servant
