Sturminster Newton,

Blandford 27th June 1884

Dear Sir,

I am in receipt of the application for subscription of to the Bath & W. of England Society, which should have been sent here & to which I have attended as the General is a Subscriber. I received the letter a few days ago as to the application for the using of traction

beginning on the roads & I am
looking into the matter with the
Sirems & shall write to the
General thereon in a day or two.

I am Dear Sir,

Yours truly

Alfred
