Sturminster Newton,

Blandford 5<sup>th</sup> July 1882

Dear Mr. Pitt-Rivers,

I have sent the  $\frac{7}{6}$  the amount of Lodge's bill, it has occurred to me that it might have been for allowing Boots for Mr. Pitt-Rivers for the Germany.

The whitening of the bottles you refer to shall receive attention a little further on, in the Spring of the year when it will dry

Yours truly -

Sam. M. M.

Yours very obedt. Servant

Alfred
