

Sturminster Newton.

Blandford 29th April 1885

Dear General Pitt-Rivers,

As I had appointments
made for to-day and early
to-morrow I could not be at
Sturminster until I think about 1/2 past
2 o'clock to-morrow but if
I am there at any other time I will
go to you wherever you may be.

I remain your obedient servant
A. P. C. C. C.
