Welcombe House,

Dorchester.

My dear Sir

would it be convenient  
to you to see me if I came  
to Rushmore one day next  
week - As I had not  
heard from you since I last  
wrote I concluded you  
were much engaged during  
the Christmas season & I therefore  
thought it advisable to write  
again before visiting you.

I remain

Very faithfully yrs.
