

B305

Sturminster Newton,

Dorset. 9th Nov 1888

Dear General Pitt-Rivers,

I am holding the cottage
I had to be here now and next
week at home, I think it
will be an excellent thing
to establish a Sunday School
here and I will consider the
matter and write fully in a
post or two - I remain

Yours obedt servant
A. W. C. C. C.
