Dear General Pitt-Rivers,

I found your letter
respecting Mr Stumby on my
return home on Saturday night,
there will be plenty of time to
consider the matter of the
Land he holds as the time
has passed for giving him notice
this year, it is necessary to do

this before the 29th of Sept. in
my year, I will not say anything
to him as to your intentions as
you desire -

I paid £1000 to your
account on Saturday -

I remain

Your obedient servant

Alfred
