Sturminster Newton,

Dorset 12th Nov 1889

Dear General Pitt-Rivers,

I intended to have gone to Rushmore yesterday but by the time the sale was over it was too late - You will have heard from Stanley that the woodwork sold very well -

Saturday is the only day I have disengaged this week & if

convenient I propose to go to
Ainston on that day -

I will send Brewster's account
by the next post -

Dear Sir

Yours very obedt. Servant

Alfred Cochrane
