Major Genl Pitt Rivers -

Dear Sir

19/21 Penywern Rd

We beg to intimate that our
Mr W. Toten will wait upon you
on Friday the 25th Inst for
a cheque for work executed
at this house - It is now ~~two~~
five months since the work
was completed & we are un-
fortunately not in a position
to wait longer for a settlement.

The work was executed
by your order alone for which
we hold your written authority

accepting the amount as
estimated - we are not
therefore in any way affected
by any dispute which
may have arisen between
yourself & Mr Mc Bay & shall
therefore be greatly obliged
to have the matter settled
forthwith
