Dear Sir

We venture to write to you on a matter which we are sure will be of interest.

There is nothing more difficult than to obtain reliable expert opinion in matters of Art, whether it be valuation or in regard to any special merit that may be attributed thereto.

We should be pleased if our services would be of any avail to you in this respect at any time, and place ourselves entirely at your command.

We are,
yours obediently

Queen Bros

Lieut-Gen Lane-Fox-Pitt-Rivers.
