Sir, I am obliged by your cheque in settlement  
of acct and I trust that you are now recovering  
from your recent very severe illness.

I had occasion to go to Salisbury on private  
business a few days ago & picked up there, some  
very quaint old Spanish pottery which a  
Spanish family had brought there. If you  
would like me to do so I would send <sup>Rushmore</sup> a few  
interesting pieces for your examination and  
approval.

I am Sir  
Yours faithfully  
Fred Litchfield
