ROYAL CARRIAGE WORKS,
SOUTH STREET,
DORCHESTER.

NOV. 28th 1883.

ALFRED KNIGHT.

2^d Lieut.-Genl. Pitt Rivers
Rushmore.

Sir,

Having seen an announce-
ment of your being appointed
Sheriff for this County, & as
I have in my possession
the Carriage which has been
used by former Sheriffs; I
shall be happy to let it
to you on most reasonable
terms should you feel so
inclined.

I may add that it is
in a perfectly sound state
& would be turned out in
good form; no charge
would be made for standing

room, & it would be always
ready when required.

Trusting you will pardon
the liberty I have taken in
writing.

I beg to remain

Your obedient Servant
