Gen. A. H. L. Fox-Pitt-Rivers F.R.S.
Rushmore
Salisbury

Dear Sir

It seems to be some little time since we have overhauled the set of deep well pumps at Rushmore which were originally fixed by us, so we take the liberty of writing to you to say that we should be very glad to send down to overhaul these pumps at any time should you wish us to do so, or to undertake any other work in connection with the water supply.

We are your obediently

FOR EASTON & ANDERSON, LIMITED

A. J. Capron
