

Sturminster Newton,

Blandford 2nd March 1885

Dear General Pitt-Rivers,

I have written to Mr. Trip
for some particulars in reference
to the School -

I have sent Mr. Fletcher's
bill to Mr. Green, he should
have sent it to him -

I have this morning heard
from Mr. Green that he cannot
have the plans of entrance &
Lodge ready until Wednesday

It asking me to go on that day
instead of to-morrow & that he
had written you well to that
effect, unless therefore I hear
by the post to-morrow that you
wish me to be there on that
day (Tuesday), I shall go to
Blandford early on Wednesday
with Mr. Green - I remain

Yours very truly
Alfred Perceval
