My dear General

I met Mr. Walter Foster
of 6 Rutland Gate, S.W.

Last night she is very
much interested in all
your excavations & asked
me a lot about them.

When her husband was
living she had a good

deal of experience in digging
in various parts & she is
a large subscriber to the
excavations at Silchester.

She has expressed her
desire to have your 3rd
volume of the Rushmore
Excavations, Bokerly Dyke,
you kindly sent her the
two first volumes & she

would be extremely grateful
if you could send the 3rd
to her - I am sure it would
be well bestowed, as she
really reads them.

How do you like the
Sheik el Beked? I am
very pleased with mine.
With best regards

Yrs sincerely
H. Pitt-Rivers
