Sir,

I have been
expecting to hear from
you respecting the N. G.
Curios.

Some of the people here
have asked me to exhibit
them at a Bazaar to be
held next week, but I
cannot give them an
answer till I know
what day you might
be here to see them.

Will you be good
enough to ask General
Pitt Rivers if he can
give me a definite
time so that I might
know what to do?

Some day in the early
part of the week would
suit me best. The Bazaar
is on Thursday.

Yours faithfully
C. P. Savage
