Dear General Pitt. Rivers

Thanks for your
letter. I quite see
the difficulties landlords
are subject to. and I
hope you did not
mind my telling
you of the Cottage - as
very often the outside
does not know the
rights of a case &

I can only form
an ignorant opinion!
so you must excuse
the mistakes of the
uninitiated -

What dreadful
weather we have been
having -

Yours sincerely

Mildred Gausel

Please give my love
to Mrs Pitt-Rivers -
