Rushmore,

Salisbury.

April 22nd, 1895.

Sir,

Your name has been mentioned to me by Mr. Walker, for decorating a Wooden Singing Stand. It is in the form of an open alcove, which has to be painted as an arcade of yew hedge, and the interior at the back has to be painted in Romanesque architecture.

If you can undertake the job, you had better come down here at once, and estimate for it. My station is Tisbury, Wiltshire, and it is 10 miles from here. You can get a trap at Tisbury. Please to let me know what day you will come.

Yours obediently,

A. Pitt Rivers.
