

TELEGRAMS & STATION,  
BLANDFORD, 1/2 MILES.

(L1389)

Langton Lodge,  
Blandford.

Sept 17<sup>th</sup> - 95

My dear Father,

I saw W. Trail  
this morning & I asked him  
all the questions concerning the  
license for the Larmer tree -

I am afraid if you got a  
license you could not keep it  
private - & you could only  
get an ordinary public license  
which would be turning the place  
into ~~an~~ a public house. He  
thinks you would have to get

PLATE 13  
STATION

two licenses one for Dover  
& one for Wilts & any man  
could demand to be served  
at any time between the  
hours - You could get an  
occasional license but that  
would be on the same terms  
for the time being -

Yours affec son  
Alex Pitt
