Dear General Pitt Rivers

I think you would like
to sign young Bulleid's
paper for the Soc: Ant:
He is doing such capital
work at Glastonbury &
is such a modest nice
fellow. I was sorry to

hear of your being very
bronchial - it is a bad
time of year to begin.
I hope you are better
however.

Please send back the
paper to me here in the
enclosed envelope.

Yours truly

Charles W. Reed
