My dear father

Could you let me
have the remaining £17
rent for my studio, for
the half year -

The yearly rent is £34
half of which you have
given me -

This of course does not
represent the total
expenditure on the
studio - I have had
to paint the walls &
put up various fittings

of chairwoman, coke, lights
etc, which has cost me
£28 during the year.

and this together with
my tailors bill & other
expences, has made a
considerable hole in
my allowance.
