Dear General

I am sorry to  
say something has  
occurred to prevent  
Lopinard & me from  
awaiting ourselves of  
your very kind invitation -  
He has received news  
from home which  
necessitates his return

to Paris today, & makes  
it doubtful whether he can  
even attend the Liverpool  
meeting - Ray gives  
Mr Pitt-Rivers his  
apologies & mine.

Yours sincerely  
John Beddoe

Yesterday I took him  
to Stonehenge &  
Old Sarum -
