Dear Sir,

I have now in hand the preparation of a new ed.ⁿ of Messrs Murray's Handbook of Dorset, Wilts & Somerset & am very anxious that the parts relating to prehistoric & to historic remains, should be accurate & up to date, as it is in that subject that I am principally interested myself. From what I have seen in Nature & elsewhere, I

BIRMINGHAM.

Know that you have published
privately some papers on
the Woodcuts & all the
same Merpoints & if you
would do me the favour of
letting me have reprints of
them for the purpose I

mention, you would very
greatly oblige me - You will
pardon me for troubling
you but I understood that
these papers are not
to be purchased -

I am,
yours faithfully,
Anthony A. Wood.
