*I can send
more tickets
if required.*

Dear Sir,

I am very sorry that it is unlikely that you will be able to be at the Service on Aug. 5th and especially so for the cause of your absence which I hope will soon be removed. As you kindly say you will take some tickets I enclose two

in case you may be able to use them, but as I think we shall pay our expenses a very nearly so, pray do not consider yourself bound to pay for them if you do not use them

The price of the tickets is 2/6 each.

Believe me

Yours faithfully

Nelson M. Richardson.

I felt that the selling tickets for this service was not quite satisfactory, but I did not see any other very practicable way — ^{to raise the money by subscription & send} invitations to all the Field Club & their friends (for selection would have been very difficult) would have overfilled the Museum.
