Dear Gen. Pitt-Rivers,

I enclose another long
letter from Mr. Cardley, which
may perhaps interest you. I
do not want his collection -
at Easter I am going to
dig out "Queen Boadicea's Grave"

near St Asaph - and in
the summer to set the
Archevol. Survey of the Isle of
Man into form -

If you are in town I
should like to consult you
about the latter on some
Wednesd. afternoon or Thursday
morning -

I - Dear Gen. Pitt Rivers

Yours truly

W. Boyd Dawkins
Gen. Pitt Rivers Esq.
