

Dorchester. July 27. 1898.

My dear Sir,

(LMS)

Without delay I write to acknowledge your just arrived gift to the Dorset County Museum - your new and most valuable volume of Excavations on Crewkerne Chase. This present will be most gratefully accepted by the Council of the Museum, past doubt.

Trusting that you are now in good health,

I am
yours truly
H. J. Moule.

Chas. Pitt Rivers.
