DITCHLEY.

ENSTONE.

22.12.50

Dear General

Your very handsome Vol. IV
arrived safely today and I thank
you for it as a splendid example
of how to do a thing well. I have
only looked through it roughly but
have read the enlarged Address
(was unable to listen to at
Dorchester) with great interest.
The enquiry into the chevron style
or ornament is curious & should
be of great use.

Yours very truly
D. Allen
